Day 1 Cervera - Ossó de Sió (38,56 Km - 325 m. accumulated)

The first day in the morning the route runs almost 19 miles passing alongside various castles, enjoying the rugged countryside scenery of the plains of La Segarra. After lunch at a friendly restaurant and a guided tour to the last castle of the day, you will spend the night in a typical Catalan farmhouse, near to an attractive swimming pool.

Day 2 Ossó de Sió - Palouet (33,17 Km - 393 m. accumulated)

After breakfast we will make leisurely visits to two magnificent castles while gradually the holm-oak and pine forest in higher hills and deeper valleys gradually replace the fields of cereals. The accommodation for the night is in a magnificent inn (originally a castle) with excellent services and amenities (including a splendid heated swimming pool).

Day 3 Palouet - Cervera (29,45 Km - 484 m. accumulated)

The day starts with a small mountain bike ascent to a private castle. From then on the route is mostly downhill, passing through Sant Guim (one of the most beautiful villages in the region) and after discovering a couple more castles we'll arrive at a small village completely encircled by its walls and end with a meal in Cervera.
