Route 2 days

For a good taste of what D.O. Pla de Bages, magnificent route 2 days and 50.52 km in total to make electric mountain bike or mountain bike (e-bike) highly recommended if you are not regular users. Cycling always accompanied by a local guide, you will have a backup car to both carrying luggage accommodation in hotels and transport of wine or cava. The route will take you past (like some masonry stonewalled shelters and stone carved vine vats...) and the present of the wines of the region with 2 guided visits (optionally 3) tasting included. With accommodation and meals included in the price, just enjoy the landscape, the environment and the best wines of the DO Pla de Bages cycling through the vineyards!. It says Bages comes from Baccus; the Roman god of wine. What is certain is that in Roman times already exported wines from this region. Come and you will discover why!

DAY 1. Manresa - Artés - Horta d'Avinyó (25,83 Km. 288 m. vertical accumulated)

Leaving from Manresa (Bus Station), the route leads to the vats "Tines dels Tres Salts" to the Monastery of Sant Benet de Bages (founded 960), where will be a tour of the different rooms. This monastery was owned by the painter Ramon Casas and is currently the headquarters of the Alicia Foundation, dedicated to food science. After lunch in these magnificent premises, the route continues to the centuries-old vineyards and a small artisanal winery in Artés, then visit with tasting of their excellent products. The dinner is an exceptional place, absolutely linked to the world of wine. And finally have a cosy accommodation in a beautiful rural accommodation.

(1) You can, optionally, substituted (by reservation and no extra cost) visit the Monastery of Sant Benet Bages for a guided tour of an very important cooperative where you can follow an interesting exhibition of preparing and tasting many of produce different products.

DAY 2. Horta d'Avinyó - Artés - St. Frutós (25,02 Km. 282 m. vertical accumulated)

After a good breakfast the route continues Horta d'Avinyó to enjoy an extensive visit to different areas, vineyards, vats and wine huts (and an interesting wine museum) one of the largest producers in the area. However, thanks to its exquisite and meticulous work that has gained recognition around the world. After the tasting, return to Artés to take the lunch again at the finest restaurants.

Return to Manresa is a route mainly downhill and quite easy to Bus Station / FFCC.
