**DAY 1. Manresa - Artés - Horta d'Avinyó (25,83 Km. 288 m. vertical accumulated).** Leaving from Manresa (Bus Station), the route leads to the vats "Tines dels Tres Salts" to the Monastery of Sant Benet de Bages (founded 960), where will be a tour of the different rooms. This monastery was owned by the painter Ramon Casas and is currently the headquarters of the Alicia Foundation, dedicated to food science. After lunch in these magnificent premises, the route continues to the centuries-old vineyards and a small artisanal winery in Artés, then visit with tasting of their excellent products. The dinner is an exceptional place, absolutely linked to the world of wine. And finally have a cosy accommodation in a beautiful rural accommodation

**DAY 2. Horta d'Avinyó - Artés - Sallent (15,79 Km. 212 m. vertical accumulated).** After a good breakfast the route continues Horta d'Avinyó to enjoy an extensive visit to different areas, vineyards, vats and wine huts (and an interesting wine museum) one of the largest producers in the area. After the tasting, return to Artés to take the lunch. In the afternoon is the detailed visit to a cooperative where you can follow an interesting exhibition of the preparation and tasting of different products produce. Then again en route to a excellent hotel (\*\*\*\*) for dinner and sleep.

**DAY 3. Sallent - St. Joan - Manresa (28,92 km. 227 m. vertical accumulated).** Following much of La Sèquia (an old and little channel of the XIV century) reach a small house, a producer of fine wines from very old (it is known that part of the Monastery of Sant Benet). who has maintained that tradition with a well-crafted work. After lunch at a very special place, the route continues on the outskirts of Sant Joan de Vilatorrada, where we find a winery that produces expert hands even for other producers (in addition to oil and other products) with organic farming and very accurate. Accommodation in a comfortable Manresa or dinner at one of the best restaurants in town is closing a wonderful day.

**DAY 4. Manresa - Salelles - Manresa (14,34 km. 160 m. vertical accumulated)** The last day, enjoy a wonderful first tour Manresa; highlighting the Cathedral and the Modernism as two main elements of the city. Then, en route again to one of the most prestigious restaurants where you can enjoy a wonderful meal. Next, there are one of the most famous wineries, thanks to the quality of their production expands.

Return to Manresa is a route mainly downhill and quite easy to Bus Station / FFCC.
